Banks Global Transport Primary focus is national and regional transportation of general commodities and freight. Our services range from a simple LTL shipment to large oversized vehicles or project cargo by road or by rail.

## On The Move By Ground

We are on the move offering you a one stop shop for all of your ground freight requirements.

We provide reliability and convenience that comes with a single freight company whose network serves all of North America with these key features:

1. Single-carrier responsibility from pickup to delivery
2. Single-company contact for all shipping arrangements
3. Knowledgeable customer service professionals
4. Representatives on site at border crossings

Our comprehensive LTL & FTL network in North America reaches most of today important markets with these features:

1. Direct service to almost every point in the United States
2. Direct service to almost all the Canadian population
3. Direct service to all primary metropolitan areas in Mexico
4. Offshore shipping to Alaska, Hawaii, Puerto Rico, Guam and the U.S. Virgin Islands
5. Seamless, cross-border LTL & FTL operations and services

The specially trained border representatives provide the following services:

1. Monitor and expedite freight across the border
2. Advise if there's a delay and what steps are being taken to resolve the issues

Banks Global Transport is one of the most recognized 3PL companies in the world. We have a full range of air logistics solutions to help customers meet their deadlines. We handle tons of freight across the globe in many key markets.

# On The Move By Air

Banks Global Transport provides same day air service to many destinations. Same Day Air Shipments are tendered on the next flight out. Our personnel will coordinate routings and give specific times of arrivals based on the number of flights and the distance from the airport. Shipments may be subject to size and weight restrictions

### **OVERNIGHT AIR (24 hrs.)**

We provide overnight service to 99% of the continental US. Our network of terminals enables us to meet your demanding schedules. Time definite deliveries are available.

### **SECOND DAY AIR (48 hrs.)**

When time is important and overnight rates are not in the budget, the most commonly used freight service is Second Day Air. It offers a time-sensitive delivery at the best price.

### **Export shipments to the corners of the globe!**

We offer a full line of global services door to airport, airport to airport, and in many cases we can offer door to door service. Our global export services include:

- Prepaid & Collect (where allowed) Freight Payment Terms
- Full Documentation Services
- Legalization & Consulate Services
- Import/Customs Clearance Available
- Country Requirements Information

Through our extensive partnership agreements our reach is completely global. Because of these relationships Banks Global Transport is able to deliver high end and flexible services to all of it's customers, no matter how large or small your shipment is.

# On The Move By Sea

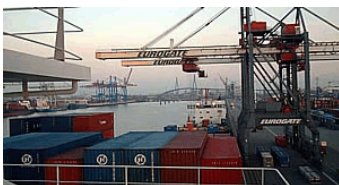

## Less Than Container Load - LCL Cargo

We have weekly sailings from any point within the United States to anywhere in the world. If you require pick up from your door or delivery to your door at final destination, we can handle it. Our rates are market competitive and we pride ourselves on great customer service.

## Full Container Load - FCL Cargo

Because we have service extended partnerships with many steamship lines, we are able to provide the best rates and services for containerized shipping worldwide.

## Oversized or Project Cargo

There are no limits on the type of cargo traffic we can handle. We have specialized roll-on/roll-off and crane services available for oversized machinery and vehicles. Our project cargo team has years of industry experience and will coordinate your shipment from the time of booking to the time of delivery.
